**PROCEEDING MEMO**

**MATTER:** # 100 Objection to Debtor's Claim of Exemptions filed by the chapter 13 trustee  
 # 104 -Response filed by the Debtors

**APPEARANCES:**

Debtor: Max C. Feldman  
 Trustee: Ronda J. Winnecour

**NOTES:** (10:32)

Court: The debtors completed the sale of real property and a portion of the sale proceeds is being held in escrow pending a determination as to the allowance of their exemptions.

Winnecour: The debtors asserted state exemptions in real property as a tenancy in the entirety. Even though there's an exemption, it wouldn't apply to joint debt, and there doesn't appear to be any joint debt. I withdraw my objection.

Feldman: We agree and the money is being held in escrow. As soon as I have the order, I'll release the money to the debtors. And we've made an additional payment as well.

Court: I will consider the motion denied as withdrawn and the debtors will be entitled to receive the money held in escrow. that represents the residual portion of their exemption.

**OUTCOME:**

1. Trustee's *Objection to Debtor's Claim of Exemptions* [Dkt. No. 100] is DENIED as withdrawn. [Text Order to Issue]
